

Cost of Ministry

We have been blessed to be able to truly say, "The Lord is our Provider"! We travel on a love-gift offering basis, trusting God to meet our needs through the generosity of His people. If you prefer not to have a free-will offering, please let us know and we will negotiate enough to cover our needs.

Variety of Events

Over the past several years the Wissmanns have ministered at a wide range of events including: church services and functions, banquets, Bible camps, state and local conventions, county fairs, city festivals, and Christian school assemblies.

Your harmony is good, but we sense the harmony in spirit as well, which is so important."

"We so very much enjoyed your performance. What a blessing it was to see you, as a family, share the gospel through your music. I am certain many were blessed by the evening as we were. You are an encouragement to fellow believers and such a witness to those who don't know Christ."

"He has put a new song in my mouth; Praise to our God; Many will see it and fear, and will trust in the LORD. Blessed is that man who makes the LORD his trust."

Mission Statement

In the world we live there are more and more broken lives and broken families. People drifting without a purpose, or caught in the nets of despair, no hope in sight. The timeless message of the sacrificial love of our Savior Jesus Christ and the life-changing power of His Word, the Bible, hold the only true lasting answers.

Our hearts' desire is to honor the Lord Jesus Christ by serving Him together as a family. Through proclaiming His great plan of Salvation through song and testimony, it is our hope and our prayer to see lost souls come to trust Christ, as well as Christians encouraged in the Lord, and families strengthened for His glory.

*I will praise Thee,
O Lord, among the peoples.
Psalm 57:9*

Family History

Loren and Gloria met while preparing to travel with a music ministry team in 1977. After being called to marriage in 1980, they moved to Seward, Nebraska to seek the Lord for His will in their lives as a couple.

The Lord used Psalms 127 to open their hearts to welcoming children and Proverbs 22:6 to the awesome responsibility of training the children He would send.

Now, many years -- and 12 children -- later, He again has called them to minister as a team. Only this time it's different. Each of the team members are family -- sons and daughters that the Lord has given them. The Lord has laid on each of the children's hearts a portion of the vision He first gave their parents: to praise and testify of Him by using their skills and talents in music.

The family first started sharing locally through song and testimony in 1997, but soon the Lord started opening doors to share with a wider audience and through a great variety of events and services.

While opportunities are increasing, the family is eager to keep their message uncompromising and true to God's Word as they have ability to minister in church settings as well as secular events.

Through each musical concert the family shares through humorous -- and sometimes poignant -- personal testimonies of the Lord's work in their lives. Each of the children are involved in some aspect of the ministry. People are delighted to see the family's close knit relationships as they encourage and interact with each other throughout every program.

Music Style

The Wissmann family firmly believes that music was given to praise and glorify the Lord Jesus Christ. Therefore, they endeavor to keep a melodious and joyful undertone throughout each song.

Playing a variety of Christian/Gospel music, the family has chosen to make each song creative with both instrumentation and vocals. From the warm sweet sound of young children blending harmonies, to the more mature voices of the older siblings—deep bass to high sopranos. The variety in each program is exciting and fresh.

The array of instruments includes: guitar, bass guitar, violin/fiddle, banjo, mandolin, harmonicas, hammered dulcimer, keyboard/piano, trumpet, flute, and harp.

Keeping everything with a Christian base, the Wissmanns enjoy bluegrass, gospel, original selections, patriotic numbers, audience participation, and lots of good ole' hymn singin'.
